Description

NEW LISTING!!!

THIS YACHT IS IN BRISTOL CONDITION!!!

If you preview this vessel in person you will purchaser her!!!

With over 1,500 delivered, the iconic Grand Banks 42 Classic remains the most successful trawler design ever produced. This 1999 Grand Banks Classic benefited from the hull that was lengthened and widened a few inches to add additional interior volume.

The GB 42's semi-displacement hull, with it's long keel, hard chines and a deep forefoot, provides a level of stability and comfort seldom matched by other boats.

That's right this Grand Banks is that nice!!!
