Hardin 45 XL

- Year: 1983
- Price: \$ 60,000
- Location: Anacortes, WA, United States
- Hull Material: Fiberglass
- Fuel Type: Diesel
- YachtWorld ID: 3730295
- Condition: Used

NEW LISTING!!!

A total of around 130 Hardin 45s were built.

These center-cockpit designs had most of their attention in their beautiful and spacious interiors finished in hand crafted teak. The centrepiece of the accommodations is a split level salon giving an open and airy feel due to the copious amounts of light coming in from the raised salon glass, portlights and butterfly hatch. On the lower of the split levels were two seagoing berths. In the mid-cabin forward of this area are two pilot berths, many use this area as a "storage garage". There's also large aft stateroom with a head.

It seems most of the thought behind the design of Hardin 45 was to optimize the experience under anchor. With so much glass above deck - bringing in that all important "light and airy" feel.

Dimensions

LOA: 50 ft

Beam: 13 ft 4 in

Number of Heads: 1

Specifications:

- LOA - 50'
- LOD - 45' 2"

- LWL - 34' 6"
