GREAT ISLAND HOPPER!!!

This vessel was designed by the Canadian Navy to assist in the moving the Admiral and the crew to and from warships and transport goods and services. Yacht builder C&C from Canada did a heavy layup of fiberglass to make this vessel super stable and strong for it's mission.

This was boat taken from the factory and put into civilian use!!!

A cabin and all the necessary amenities were constructed by Boatwrights in **Michigan. This is truly a sea-going vessel.**
