Description

NEW LISTING!!!

This is the nicest Island Packet 40 you'll find. Make an appointment and see for yourself - you will not be disappointed.

Roomy, comfortable and robust, the Island Packet 40 takes the world in stride. With a draft of only 4 feet, 8 inches, the IP40 can drop the hook in skinny anchorages. This is the wonderful combination of a really nice cruising-boat design with a really good, solid build.
