THIS HAS NEVER BEEN A CHARTER BOAT

ORIGINAL OWNER - ONE OWNER BOAT!!!

The DuFour 460's designer Umberto Felci has a reputation for designing sailboats that sail well even in light winds of 3 knots to 4 knots.

Forward master suite includes huge queen pedestal bed. Private on-suite "split" head - large separate port-side shower & toilet to starboard in its own separate private compartment.

Salon/Galley is large and well laid out. There is a beam-width galley all the way forward which allows for a spacious salon. The salon space is great for entertaining, The salon/galley layout is a feature you must preview in person, on the boat, to appreciate the benefits of its design.

A peppy coastal cruiser with offshore capability and unique shoreside entertainment amenities. (quote from Cruising World) The sailing capability is important, but when the sails are down, the livability and socializing is also important. The 46' Dufour 460 Grand Large splendidly provides both.
