The Classic Pocket Cruiser from Com-Pac

The Com-Pac 27 Mark III is built in the traditional Hutchins style. She is fast, tracks straight, maneuvers tightly, and accelerates easily. Her balanced ends offer agile performance even in light air. She turns within her own length and motors as well as she sails. The Com-Pac 27/3's interior allows standing head room, six berths and an enclosed head with hot water shower in the head & in the cockpit.

A full galley, head with shower, hanging locker and storage space help to satisfy the needs of a cruising family.
