Description

NEW LISTING!!!

A popular model, the Ocean Alexander 40 Double Cabin was introduced in 1980 when fuel-efficient trawlers were extremely popular in the U.S. market. One of the better-quality imports of her era, she rides on a solid fiberglass, semi-displacement hull with hard chines, moderate beam, and a long keel for improved directional stability.

This is a very well-maintained and equipped Ocean Alexander with a SINGLE DIESEL 215HP ENGINE
