Description

s/v Whiskey Run | Shilshole Bay Marina | 12 Year Owner

If you are looking for a great sailing, offshore capable boat, please check out this rare Bruce Roberts 341. Like most of Bruce Roberts designs, this 34' boat has massive storage, and a slippery, strong solid-core hull, with glassed solid deck. The combination of the double-ender design and protected cockpit, reduces worry about following seas. The huge interior is surprising light with many opening port-lights and feels more like a 40 footer! 6,300 lbs of ballast in a 34' hull, makes for a seriously stiff, stable safe boat, with a nice smooth roll motion.

You may know Doug Lombard the owner, sailing instructor, and founder of the Coho Ho Ho Rally. He's added the bow sprit, great opening NFM port-lights, electronics and sails, and many fine and salty touches. You know this is a serious sailing boat, with simple systems, and a strong Yanmar diesel.

A serious sailing boat, this "tough cruiser", might be the "minimalist boat" you've been looking for! She's a great choice for coastal or offshore sailing, and been there in a blow. Please check out the pics and all the specs, hidden by Yacht World, under the "Other Details" tab. Then call or email to see this special sailboat at Shilshole Bay Marina soon.

A note on the name: Whiskey Run was a Gold Rush gully of some historic interest, off Seven Devils Road, Bandon, Oregon The Kraken is Doug and his daughters work.

Information & Features

s/v Whiskey Run

s/v Whiskey Run | Shilshole/Seattle | 12 Year Owner

Designer: Bruce Roberts / Similar to Coast 34

Builder: D.D. Cox (Owner-Built in Idaho)
