SHEARWATER UNIVERSITY FLEET OPTION BENEFITS:

1. You get a boat with a top-rate pedigree, that has been lovingly (and at great expense) improved by her owners, and carefully maintained by Marine Maintenance Professional.
2. In the current market where marina slips are subject to a waiting list, you get one of the best slips in the best marina on the Salish Sea, in Cap Sante Marina, at the edge of the San Juan Islands.
3. You get free boat management.
4. You get revenue every time we use the boat, to offset the expenses of boat ownership.
5. You get access to and special attention from our staff Marine Maintenance Technician. He can preform most maintenance and repair tasks at the deep discount of \$50 per hour. If you're interested, he can also train you to do your own maintenance.
6. You get quick access to other marine professionals we contract with.
7. You get 25% off of any private training we provide you on your boat.
8. You get the guidance and support in boat ownership from Shearwater University, the specialists in Maritime Education on the Salich Sea.
