Description

s/v Avatar is a 1980 C&C 32 that deserves your consideration. If you are in the market for a fun, well-built, comfortable and manageable boat, this might be the one. With this C&C 32 you can club race or cruise, with the amenities of a larger more expensive boat.

One of C&C's most successful performance cruising designs, the 32 does everything well - excellent sailing and handling qualities in a tasteful, functional cruising interior. There's a 2002 Yanmar 2GM20 Diesel with Maxprop and PYI shaft seal, Harken furling and 7 sails, lines lead aft to Barient winches, great B&G Zeus T-8 chartplotter with radar, autopilot, and 2016 dodger. Down below, she's clean and cozy, with a well-designed galley, hot and cold pressure water, and a 3-burner LPG stove & oven. The clever nav station has unique storage and access to the quarter berth. The C&C32 has more headroom and storage than the earlier 33 design.

C&C 32s rarely come on the market. This is a great chance to own a well-respected boat, in good condition, for less than \$35k. HIGHLY RECOMMENDED!!

Sorry, Yachtworld hides my description of Avatar's specs and boat info under a tab called -Other Details, buried under their Loan Marketing. Keep Looking! Argh!

Information & Features

2006 Yanmar 2GM20F (Engine 1)

Type:	Inboard	Power:	18 hp
Fuel Type:	Diesel	Propeller Type:	3 Blade
Drive Type:	Direct Drive	Propeller Material:	Bronze
