Description

NEW ARRIVAL!!!

BY APPOINTMENT ONLY

If you're shopping for a Pilothouse Motor Yacht The Bayliner 4788 are enormously popular here in the Pacific Northwest. With 3 staterooms, pilothouse visibility that's excellent, cockpit that's sheltered from the sun, bow pulpit removed for 50' moorage, the side decks are wide enough for safe and secure foredeck passage and Hino Diesels that have proved to be powerful, reliable, inexpensive to maintain and will cruise an efficient 18 knots.

This actual Bayliner 4788 "Harmony" has probably every feature you could image both factory installed plus the current owner's desired features. Read through the specifications for "Harmony" to better understand how special this vessel is to it's current owners and how it will more than fulfill your wants and needs.

If you're looking for a Pilothouse Motor Yacht you owe to yourself to preview "Harmony" in person. You will not be disappointed and this vessel will go to the top of your short list. That's right this vessel is that nice!!!
