The Silverton 34 Convertible stands as a testament to Silvertons legacy of creating boats that blend fun, functionality and affordability for family cruising and fishing. This model is celebrated for its spacious flybridge, designed to accommodate the captain, companion and guests comfortably, making it a value-packed choice for those seeking memorable experiences on the water.

This is one of the most popular family cruisers, great for entertaining, fishing, day trips, weekends and extended vacations - all at an affordable price. She has a spacious salon with sliding glass doors, full galley & dinette, sleeping for 6 and a large flybridge with plenty of seating and great sightlines.

This is a very clean boat that's been upgraded and meticulously maintained - everything works.
