Description

NEW LISTING!!!

Contact Listing Broker for a Private Showing of the 43' Delta Trawler

Introducing the remarkable "BAKER BAY," a classic 1978 Deltamar 43 Marine trawler that boasts a robust fiberglass hull designed for displacement cruising. With an overall length of 45 feet, this vessel offers a spacious and comfortable experience on the water.

Powered by a reliable 210 hp Caterpillar 3208 inboard diesel engine, it has only 3,252 hours of use, ensuring dependable performance for your journeys. The trawler features a hydraulic windlass, enhancing ease of anchoring and maneuverability. With a cruising speed of 8 knots and a maximum hull speed of 12 knots, "BAKER BAY" is perfect for leisurely exploration and efficient travel.

This vessel's thoughtful design and durable construction make it an excellent choice for those seeking adventure on the open seas. Experience the charm and functionality of this classic trawler, ready to create unforgettable memories on the water.
