Description

NEW ARRIVAL!!!

Contact Listing Broker Russ Meixner to preview this Albin in person

Stay dry & warm with a completely enclosed Optional Alaskan Rear Bulkhead Pilothouse Fiberglass Enclosure (Very Rare Factory Option)

This Albin has a Completely Flush Cockpit Deck. No Raised Engine box in the Cockpit.

The Albin 28 Tournament Express is one of the most popular 28-foot cruisers ever produced. It combines distinctive Downeast styling with a spacious cockpit and comfortable cabin accommodations. The 28 is heavily built on a modified-V hull with a generous 10-foot beam, deep forefoot, and a prop-protecting skeg keel.

Belowdecks, the roomy interior of the 28 TE has the comforts of a larger cruiser with a full-service galley with fridge and microwave, standup head/shower, midcabin berth aft, and a convertible U-shaped dinette forward. Six opening ports provide good cabin ventilation. Wide side decks make it easy to get around on the Albin 28. Additional features include a molded bow pulpit, trim tabs, under cockpit coaming rod holders, full-height bow rail, cockpit H/C fresh water shower, bow thruster, and transom storage boxes. Cruises very economically at 16–18 knots with single 315hp Yanmar diesel.
