Description

NEW LISTING!!!

Introducing the remarkable "AURORA," a 2010 Ranger Tugs R-29, measuring an impressive 35 feet in overall length.

This used tugboat boasts a robust fiberglass hull, ensuring durability and stability on the water.

Powered by a reliable Yanmar 6BY2-260 inboard diesel engine, generating 260 horsepower, it promises both performance and efficiency with 870 hours of operation.

Equipped with an electric windlass, "AURORA" enhances your boating experience, making anchoring effortless. The interior features a well-appointed head, providing convenience for extended outings.

With its sleek design and thoughtful amenities, this vessel is perfect for both leisurely cruises and practical use. Whether you're navigating coastal waters or enjoying a weekend getaway, "AURORA" combines functionality with comfort, making it an excellent choice for any boating enthusiast. Experience the joy of the open water with this exceptional tugboat.
