Immaculate, beautiful Blue 2008 Sea Ray 330 Sundancer with substantial upgrades and enhancements including custom swim platform extension is ready to delight you, your family and friends.

Introducing the stunning 2008 Sea Ray 330 Sundancer, a remarkable express cruiser that combines elegance with performance. With an overall length of 38 feet including custom swim platform, this vessel boasts a sleek fiberglass hull designed in a deep Vee shape, ensuring a smooth and stable ride on the water.

Powered by twin MerCruiser 8.1 S Horizon DTS engines, each delivering an impressive 370 horsepower, "KERRERA" achieves a cruising speed of 30mph to 40mph, making it perfect for exhilarating outings. The V-drive configuration enhances responsiveness, allowing for effortless navigation & less maintenance than an I/O.

This cruiser features a well-appointed accommodation with two cabin areas and one head, providing comfort for overnight trips. An electric windlass adds convenience to anchoring, while the stylish design and thoughtful layout make it an ideal choice for both relaxation and adventure.

Experience the joy of boating with the KERRERA, where luxury meets performance on the open water.
